

A Mothers Prayer

Verse 1

Little hands and Little feet, God has made you so complete
A bundle of joy sent from heaven up above
I wonder what gifts he has given you, I wonder what plans he has for you.
This is the prayer I pray, each and every day

Chorus

Lord give him a passion for the cross, give him a burden for the lost
A faith that will shine even in the darkest hour.
Help him to stand when others fall, be willing to serve in big and small.
This is the prayer I pray each and every day from my heart.

Verse 2

As you grow from day to day, starting to smile and then to play.
Taking a step and learning how to walk,
We will plant the seeds of faith, water them with the word you gave.
This is the prayer I pray each and every day.

Bridge

As a family together, hand in hand we stand this day.
Committed to the gospel truth, we will serve him all our days.
