

Don't lay your sword down, we're fighting for the right and we're gonna win, don't give up , no compromise , the victory is comin on the other side , don't , don't , don't lay your sword down .

Vs1

We're soldiers in an army, the army of The Lord, we are breaking through the darkness by the Power of His word , we will conquer by His spirits , taking back what's been destroyed, with our shield of faith, we are pressing on.

Vs2

Marching with the Gospel  
His message we'll proclaim  
hope unto the hopeless  
life in Jesus name

Onward in the harvest,to labor, watch and pray , till the sounding of trumpet , and we are caught  
away

Bridge

Fighting for my savior  
The battle is most won  
The trumpet will sounding  
The coming of the son
