

Do You Need Deliverance

**Vs1: When you walked in this place hung your head in disgrace,
not knowing why you've come
You were filled with despair seems that life isn't fair,
and there's no where left to turn.
Then you remember a day when it wasn't that way
and you wonder if you'll ever be free
There's a stirring inside saying give God a try take a trip to calvary.**

**Chorus: Do you need deliverance, do you need a brand new start
Do you need a hand to lift you up from where life's sin has dragged you down
He is here, he is here, Jesus is here
And He's more than able**

**Vs2: Like the story of the prodigal son,
Jesus is patiently waiting
With peace and love, amazing grace from above, you can start over again**

**Bridge: Jesus, Jesus, Jesus Jesus
At the name of Jesus
Every demon must flee, every chain will break off every soul can be free.**
