Are You Ready

V1: Though two lie in the bed
And two out in the field
Only one of them is taken, the other one is left
Like a thief in the night in the twinkling of an eye
The Lord will catch away His bride

Chorus: Oh, the trumpet shall sound
The Lord shall descend
The grave shall open up;
the dead in Christ shall enter in
And those that remain, shall be caught up in the sky
But I'm asking you
Are you ready

V2: There are so many excuses
Why you cannot serve the Lord
I'm too young or I'm too busy
Or I don't believe the word
If somebody will go with me
Not today but another time
Soon I will; but I'm not ready
He's not coming for such a long, long time

Come Home, Come Back

V1: Like the prodigals son, the Father's house seemed empty
But the world that was around
Looked green and full of plenty
So you left the peace of home
For new places now to roam
But they've left you cold and longing
For just a glimpse of home

Chorus: Come home, come back
The Shepard's calling you
He has left the nine and ninety
To round up the wondering few
Soon the night will soon be settled
And the fold will go on home
He calls one last time in mercy
Come home

V2: When you left the fold you never meant to be
Absent for so long
Just a few short days, fun and games to play
Then the wondering would be done
But time has slipped away; still you haven't prayed
Sin has bound you for so long
But the father steps out calling
It's not to late to come back home

Bridge: Coming home, coming home
Never more to roam
Open wide thine arms of love
Lord I'm coming home

It Is Well

V1: Now Job was a Godly and upright man
Perfect in all of his ways
The devil thought he could have his soul
If he could take all his possessions away
So he stripped him of all of his riches
Took his children, and left him all alone
But Job said, "My Redeemer liveth"
And it is well with my soul

Chorus: It is well (It is well)
With my soul (with my soul)
It is well; it is well with my soul
The storms may come and the wind may blow
But this one thing for sure I know
It is well; it is well
It is well with my soul

V2: There's been trouble with this old body
Every since the fall of mankind
There are questions life leaves unanswered
And worries that trouble the mind
But if you belong to Jesus
On this promise you can stand
He will never, never leave you

Bridge: Nothing can take you from the Master's hand
The devil may fight and the storms may blow
But he can't take away the peace of my soul

Counted The Cost

V1: I've been living this life and serving the Lord
Since many long years ago
I've come through deep valleys
And climbed some high mountains
Yet onward still I must go
I must press toward the mark
I will finish this race; keep marching on till I see His face
Cause I've counted the cost and I've made up my mind
I'm gonna serve the Lord

Chorus: I have counted the cost and made up my mind
I'm gonna serve the Lord
I've come too far, and I'm not turning back
I'm gonna serve the Lord
I've picked up my cross and I'll not lay it down
I'm gonna make it I'm Heaven bound
I have counted the cost and made up my mind
I'm gonna serve the Lord

V2: There are so many people who have picked up this cross
To turn around and lay it back down
They say it's too heavy and much too restrictive
To pick it up and carry around
But He said my yoke is easy and my burden is light
The way of the transgressor is hard
So count up the cost and pick up your cross
And trade it in someday for a crown

Lord Send A Revival

V1: All about revival we've heard so many tell
All about Azusa street and how the Holy Ghost fell
We've heard about brush arbors and saw dust on the floor
But Lord I'm asking would you please
Your spirit began to pour

Chorus: Lord send a revival; send the power of the Holy Ghost
Lord send a revival; till your spirit overflows
Just like they had in the days of old
Send a revival down deep in my soul
Lord send a revival; send the power of the Holy Ghost

V2: There are so many people who are cold down deep within
They haven't got announce of joy
And the can't say no to sin
But if you want revival give your heart, your soul, your all
Lift up your hands start praising Him
And the Holy Ghost will fall

Living Sacrifice

V1: When I come into your presence
And before Your throne I bow
All my soul poured out before You
Consecration, Lord I vow
I'll lay aside the things that would hinder me
Separate me unto you
A servant, a vessel of honor
Ready for service now anew

Chorus: I present myself to be offered up a sacrifice
Wholly and acceptable to you
I must lose this world to win this world
Let my life be Lost in You
I surrender now completely
For it's the least I can do

V2: Right now be Lord of all my life
I give You my heart, my soul, and my mind
Let me be full of Your Holy Anointing
So that the fire of God
Can touch a life through me
A life through me

Bridge: I surrender all
I surrender all
All to thee my blessed, Savior
I surrender all

Would You Wake Up

V1: It happened so slowly; just a step at a time
The wrong kind-of music; the wrong friends by your side
There was no time for church and no time to pray
The coming of the Lord seemed so very far away

Chorus: Would you wake up, and see that you're lost
You've drifted away from the blood of the cross
Satan has you blinded; he has you deceived
Would you wake up and fall to your knees

V2: Oh please turn around; time is running out
I know He'll accept you without a doubt
Give your life back to God; let Him have control
Surrender all to Jesus, your heart, your mind, and soul

Holy Ghost Power

V1: In Acts chapter two the story is told
How the Holy Ghost fell back in days of old
One hundred and twenty in one mind and one accord
Waiting for the promise that was given by our Lord

CHORUS: (He said you need)
You need the Holy Ghost power
(He said you need)
You need the Holy Ghost power
In the truth the spirit will lead
To preach the word to a world that's in need
(You need) you need
(You need) you need
The Holy Ghost power

V2: Well if you have been washed in the blood of Jesus Christ
And you are trying to live a sanctified life
It's time to step out deeper and get all He has for you
Just lift your hands toward Heaven
And He will fill your soul anew
