

Take My Life

Words & Music by: Ruth Brimm

Verse 1

I surrendered my heart to You so many years ago.
Yet there are things in my life You want to let go.
So I come now in surrender; search every corner of my heart.
Let Your Holy Spirit guide me, never from You depart.

Chorus

Take my life, take my all.
Lord, I answer to Your call.
Take my dreams and my plans.
My life is in Your hands.
May the world always see more of You and less of me.
Take my life, Lord, take my all.

Verse 2

Draw me now to a closer walk, draw me nearer to the cross.
Help me purify my life, with Your Word now sanctify.
So no matter what the world may say,
And no matter where You lead:
I will follow You, Lord, all the way.
I'll be what You'd have me be.

Chorus II

Take it all, take it all.
What this world can offer me, take it all.
For one hundred years from now, it won't matter anyhow.
What this world can offer me, take it all.
