

The Little I Have to Give

Chorus:

**Here's the little I have to give, So that others might live
The need is great, the gift is small
But Lord I gladly give my all
I heard u ask for bread, so the hungry could be fed
I know little is much , when it's in the masters hand.**

VS1:

**Many gathered on that day, following Jesus on His way.
Seeing the miracles and healing, wanting to see His power revealing.
The day was growing late, He saw the need that was so great.
How shall we buy the bread, that so many can be fed. Then a young man said.**

Chorus:

**Here's the little I have to give, So that others might live
The need is great, the gift is small
But Lord I gladly give my all
I heard u ask for bread, so the hungry could be fed
I know little is much , when it's in the masters hand.**

VS2

**There's a crowd that gathers round, looking for peace that can't be found.
Broken people who need healing Hungry hearts who came here seeking
The day is growing late, and the need it seems so great,
How can we give bread, that so many can be fed,
Then I said. So here's my hands Lord bring healing
Here's my feet To go, I'm willing Let my words speak life, my voice sing praise,
I 'll serve you Lord the rest of my days.**
