

# We are Waiting

We are waiting , for the moving of your spirit  
Our hearts in one accord, right now we're waiting on the Lord  
There's no way we can leave empty  
We will tarry till your spirit  
Fills our heart to overflowing with your power and anointing  
We are waiting waiting on you, Lord

Holy anointing, let it fall on me  
Holy anointing, let it fall on me  
My soul is thirsty, Lord would you hear my plea?  
Holy anointing, let it fall on me

Rain of revival, let up fall on me  
Rain of revival, let it fall on me  
My soul is thirsty, Lord would you hear my plea?  
Rain of revival that it follow me
